## SUMMER ART EXHIBITION

11<sup>th</sup> June – 6<sup>th</sup> August 2022

**NUNEATON ART GALLERY & MUSEUM,**  
RIVERSLEY PARK, NUNEATON CV11 5TU

### GENERAL GUIDELINES

To save travelling, we will arrange 'drop off' points for artist's works and arrange to collect work at end of exhibition. More information will be provided to exhibiting artists nearer the time.

**High Resolution Images of work required a.s.a.p. for publicity purposes. (Optional).**

Pictures should be well mounted and framed, (where appropriate using 2 mm clear picture glass).

**Hooks and cords** required for hanging. Unframed canvas paintings should have sides neatly painted.

Work not presented to a high standard will not be accepted. The Selection Panel's decision is final.

Artists may submit up to four paintings, plus up to four 3D work, i.e. sculptures/ceramics. Images of 3D work to be emailed to the exhibition secretary in advance, so we can check suitability for display in the gallery.

The gallery may occasionally fit mirror plates to the reverse of frame and remove them at the end of the exhibition, which would leave four small screw holes.

Small paintings, small sculptures, ceramics etc., are usually displayed in glass cases.

Work previously exhibited in the Nuneaton Art Gallery cannot be accepted.

All work must have a **label on the reverse** with the Artist's Name, phone number, title of work, medium and price. **PLUS a label on a string** with same details, that can be hung over the face of the work to assist the gallery staff when hanging the work.

Submission fee: £3 per work + one free. **There will be no refund if work is not selected.**

**25% commission + VAT on gallery sales. Artist's Cards/items sold in the shop: 30% commission+ VAT.**

NOTE: Artists exhibit work at their own risk. (The gallery do have insurance for work they accidentally damage).

Submission form should be posted or emailed by 7<sup>th</sup> May (or handed in at AGM on 2<sup>nd</sup> April).
