

Coventry and Warwickshire Society of Artists

‘Summer Scenes Workshop’ with Matthew Palmer on Tuesday 10th June from 10.30 am to 1.30pm at Stoneleigh Village Hall

Come and join us for a lovely mornings painting - Stoneleigh Village Hall from 10.30 until 1.30! Matthew takes us on another journey, this time summer painting! Matthew has been painting for 25 years and teaching for 15, he is a SAA professional who has regular TV series on SKY and CREATE & CRAFT TV. The author of many magazine articles and star of many watercolour dvd's. This will be a quite different approach to our usual understanding of watercolour painting and I urge you to attend. And of course our prices are low compared to other Societies.
