

# Coventry and Warwickshire Society of Artists

**Felting the Masters with Jacqui Smithson**  
on  
**Friday 10<sup>th</sup> May from 10.00 – 1.00pm**  
at  
**Stoneleigh Village Hall, Committee Room**

Have you ever seen yourself as a budding Van Gogh, Monet or perhaps a Barbara Hepworth or an Andy Warhol in the making? Come to this fun workshop and recreate your own Sunflowers, Lilies or something a little more abstract with fibres and threads.

Using the wet felting technique, you can choose an image of your choice to give you inspiration. Perhaps you could change the background colours, shapes or

composition of the piece but still retain the style of your favourite Artist.

There will be inspirational material available but please do bring your own image if you have something specific you would like to work with. This class is aimed at those who perhaps have a basic knowledge of felting although will be suitable for creative beginners. You will be given an introduction to felt making and shown how to work the fibres and shape the wool to create texture and interest in to your work.

You will need to bring a towel, rubber gloves, a plastic bag, and a spray bottle. All other materials will be provided.
