Stone Carving Workshop with Cliff Vince
on
Saturday 3rd November from 10.00 - 4.00pm
at
Stoneleigh Village Hall

Cliff Vince, a CWSA committee member, is a sculptor who has worked in stone for many years.

This Workshop will show you how to sculpt using quality white Alabaster. There will be a selection of designs for you to choose from or you can design your own. Cliff will go through the process of using a plasticine Maquette to formulate a design, through to cutting the stone and finishing off. A base of black Basalt will be provided so everyone will take home a finished sculpture.

The Alabaster will be pre-prepared so minimal working is required, it is soft stone so it is very easy to work with - no hammer or chisels required! The tools provided will make easy work of shaping the stone.

What's provided; Stone for sculpting, stone for the base, all tools, sandpaper, dust mask, gloves, tea, coffee and biscuits. You will need to bring. Pencil, paper, apron, and lunch
