

Coventry and Warwickshire Society of Artists

Autumn Art Exhibition

Weekends of 10/11 October, 17/18 October, 24/25 October,
31 October/1st November.

Opening times 10.30 am – 3.30 pm.

East Lodge Gallery, Jephson Gardens,

Leamington Spa, CV32 4ER

CWSA have been offered the opportunity to exhibit our member's work at East Lodge Gallery, Leamington Spa. Originally the gallery were to remain closed until the New Year, but they decided to open their doors for limited hours and are invited us to exhibit during the month of October.

There is limited space for 20 – 30 pieces (depending on size) as the gallery is going for a much more streamlined approach in the way they hang the work.

Members may submit 2 pieces of framed work for selection in any medium, 2D or 3D.

(Work previously shown at CWSA annual exhibitions may not be submitted although please do resubmit work currently being shown in the virtual exhibition).

Hanging Fees:

2D and 3D work = £5.00 each payable to the CWSA account.

There will be a 20% commission charge on any sales. Please factor this in when pricing your work.

As time is of the essence please send good quality images of your submissions for selection along with the submission form to jacqui.a.smithson@gmail.com by the 1st of October 2020. These will be shared with the committee to make a decision on what will be hung as we are unable to have the usual selection team as we would if it were an annual exhibition.

We apologise for the short notice but think this is a great opportunity. Since opening again, East Lodge has had phenomenal visitor numbers even with all the strict guidelines they have in place.

Please note there will be no browser pieces or cards at this exhibition to limit handling of items.
